Sewing Scrap Blocks with Character

Machine sewing for the absolute beginner, for under ten dollars. Start to Sew is the perfect first book for new sewers. Thorough instructions and step-by-step photographs expertly guide beginners through the basics of sewing. At a value price under ten dollars, here is everything they need to get started, from buying supplies to sewing a seam. Six projects teach new skills, each project building on the next, while creating a real dador or fashion project. Whether the goal is to teach a kid to sew, decorate your home, figure out how to use your first sewing machine, or experiment with a wonderfully creative craft, Start to Sew makes sewing fun and successful from the start. Creative Publishing international has also created Sewing 101, Quilting 101, and Home Dacor Sewing 101, as well as the Singer Sewing Reference Library.

Start to Sew

Modern Japanese quilting blends Eastern and Western techniques to create quilts of extraordinary style and beauty. Using designs borrowed from a rich decorative arts heritage, and often incorporating traditional kimono fabrics, Japanese quilters have developed a distinctive style based on unusual motifs and striking color combinations. With Japanese Quilted Blocks to Mix and Match, any quilter can create exquisite and unique works of patchwork art in the Japanese tradition. The book presents more than 125 different block patterns, each with complete instructions and a color photograph, representing a variety of pattern sources: kamon (family crests), Hakone yosegi (parquetry) and traditional textiles, such as kasuri weave. Each 9-inch block includes a full cutting guide and fabric palette; suggestions for use, either mixing and matching or adapting to an all-over design; and icons indicating techniques and skill level. The blocks on each spread are related in design and technique. In addition to the Block Directory, Japanese Quilted Blocks to Mix and Match features an Inspiration Gallery, showcasing examples of finished quilts from leading quilters. Using these examples, author Susan Briscoe explores such topics as color ideas from traditional Japanese textiles and quilts, motifs, and recommendations for combining fabric patterns and block designs. An extensive section on technique, as well as several pages about the fabrics themselves and a listing of suppliers and organizations make this volume as practical and informative as it is beautiful.

The sewists are a new breed of designer-makers. From jewellery to bookbinding, felt craft to embroidery, screen-print to dressmaking, they encompass all areas of art and craft, and often combine techniques in new ways. Author and fellow sewist Josephine Perry has interviewed 19 designers about their working life and inspiration, and persuaded each one to part with a project for readers to make. Projects include a cameo brooch using freehand machine embroidery, a fun fur and felt creature, a circus troupe decoration, block-printed napkins, subversive cross stitch and many more. Each project is clearly explained and includes step-by-step illustrations and specially commissioned photographs of the finished piece. Also included is a CD containing templates, stitch charts and a blouse pattern – everything you need to complete the projects in the book. Anyone who enjoys sewing and crafts, and can use a sewing machine, will relish *The Sewists*.

An accessible guide to understanding and using Spoonflower to design your own fabric, wallpaper, and gift wrap. Designing fabric, wallpaper, and gift wrap used to be the stuff of dreams. Only a few select creatives got to do it, and it required formal training and significant financial investment. But times have changed, and today anyone with a computer, Internet connection, and idea can upload a file and order their own fabric or paper, printed affordably one yard or more at a time. At the forefront of this revolutionary DIY movement is Spoonflower, a North Carolina startup that produces designs for hundreds of thousands of users worldwide—twenty-four hours a day/seven days a week to keep up with demand. With step-by-step tutorials and projects that span a wide spectrum of skills, *The Spoonflower Handbook* is written for both new and experienced users of this print-on-demand technology. Covering everything from equipment to software to working with photos, scans, repeats, vector files, and more, it is an essential guide to a booming new creative outlet.

The Sewists

Viviane, a beautiful Celtic princess, unwittingly unravels the spell that binds the spirit of the evil Idoc within a circle of tall stones. Once released, the sorcerer-priest uses his powers to deliver vengeance upon those responsible for his original enslavement - including the Princess Viviane. With Idoc in possession of the body of Prince Caradawc, her betrothed, Viviane can no longer judge safely between friend and foe, between this life and previous incarnations. Yet to rescue Caradawc from his nightmare, she must risk everything to reach the dreaded dark tower where Idoc waits. And, to ensure victory over evil, she must seek out Lucifer's Emerald. She journeys through dreams and nightmare, beauty and horror, good and evil to save her lover and destroy the sorcerer-priest. This is a quest for spiritual grace which is beautifully depicted and includes all the timeless ingredients of legend.

For burgeoning dressmakers the vast array of fabrics is what both entices the would-be sewer to dress handmade, but it is also what intimidates the first-time sewist when stepping into the haberdashery.

Reflecting the episode themes of the third series of The Great British Sewing Bee, each chapter focuses on a type of fabric and demystifies its properties, suitability and uses as well as providing all the instructions and pattern pieces needed to make a collection of universally appealing garments from that fabric type. Many of the 30 garments in the book appear on screen, either as technical challenges faced by the contestants and designed by Claire-Louise Hardie or as projects devised and made by the contestants. The chapter on Cottons explains the properties of this common fabric and gives a variety of designs including a sleeveless shell top, capri trousers, summer dress and beach shorts. This is followed by chapters on wool and natural fibres, knits and stretch fabrics and then luxury fabrics, including lace and sheers. With womenswear sizes ranging from 8 - 20 and menswear sizes ranging from S - XL, as well as the core garment instructions, this book includes all the information you need to get started with your sewing machine and understand both your equipment and the pattern pieces. Claire-Louise's ultimate guide to fitting your own clothes and expert sewing tips from judges May Martin and Patrick Grant will ensure a perfect fit and stunning results.
